Terms and Conditions

Quality and Speed

12-15 faces can be painted per hour. If number of guests exceeds the amount of time, some children may not be painted. We will try to accommodate a busy party, but we will not compromise our designs. If all faces are painted in the allotted time and time remains, then the face-painter can add glitters, and re-touches.

Extra Time

If you require the face-painter to stay beyond the agreed time slot, then this can sometimes be arranged. However, please note that this will be charged at a different rate per half hour and may not always be possible due to other bookings. Further details are available on our website.

Facepainting Permission

It is the responsibility of the party organiser to ensure that all parents /guardians of the child attending the party be informed a face-painter will be there. It is best to add a permission on the invitations. If a child is not to be painted for any reason, please inform the face-painter and do not rely on the child to do so.

Supervision

For safety reasons we ask that children are not permitted to play in the work area. Children's safety and behaviour are the responsibility of the organiser or the parents attending the event.

Please send us your deposit, if not already done so and then email this form to stacey@auriana.co.uk or post to 25 Baynes Close, Middlesex, EN1 4BN
